**PLAINTIFF'S UNOPPOSED MOTION TO CONTINUE
DISCOVERY STATUS HEARING**

In the Consolidated Scheduling Order entered on May 9, 2013 for the above-captioned cases, this Court ordered the parties to appear for an in-person discovery status conference on June 27, 2013 to discuss the status on Defendants' license defense. Plaintiff, Telecomm Innovations, LLC ("Plaintiff") hereby presents this unopposed Motion to the Court to continue the discovery status hearing to a time mutually convenient to all Parties and subject to the availability of this Court.

Due to an unforeseen scheduling conflict, Plaintiff's counsel, Tim Devlin, will be unavailable to attend the hearing as scheduled. Other Plaintiff's counsel are likewise unavailable to attend. Plaintiff has conferred with all parties regarding this matter and requests that the Court continue the June 27, 2013 discovery status hearing to the next available mutually convenient date for the Court and parties. To make scheduling in the multi-party case most efficient, Plaintiff respectfully requests that the Court provide one or more dates that the Court is available to reschedule the hearing, and the parties shall then promptly confer and inform the Court as to which date is workable for all parties. Plaintiff has conferred with all Defendants regarding this issue, and no Defendant opposes this Motion.
